

Board Goals Update March 2016

(1) Expand the educational opportunities available to all students, staff, and the community.

- Joint ventures within the ISD:
 - Sharing cost of supporting MTSS between general and special education budgets
 - Combined monthly board report (CTE, Gen ed, special ed)
 - DIBELS assessment team provided for Central Montcalm Elementary
 - Hosted MDE Field Services representative several times
 - Psych/TC training in MTSS, coaching, PBIS
 - [Streamline PD processes between general ed, special ed, and CTE](#)
- Work with community agencies
 - Support of IM Kids 3rd Meal with ISD volunteers
 - Increased participation on Montcalm Area Reading Council (GSRP and gen ed attending – [now have 2 members on the MARC board](#))
 - Work with We Care for Kids Council – multi-agency workshop on child abuse; presenters included MAISD, We Care for Kids Council director
- Cutting edge professional development
